Jewelry Making For Beginners: A Complete & Easy Step By Step Guide (Ultimate How To Guides)

Synopsis

Jewelry Making for Beginners is an audiobook that not only highlights the basics of making various types of jewelry, it also goes just a bit further into the process without making it overwhelming for the beginner. The aim that the author has with this audiobook is to inform and educate and make the overall process as easy as possible to execute. The individual that has no concept at all of what jewelry making entails can listen and not only get an overview of the jewelry making process but also get a bit of insight on the various processes that one can focus on be it using metal or beads or gems and stones. This audiobook is a great source of reference for any hobbyist with an interest in making jewelry in their spare time or someone who has a creative side and has an interest in earning an income from making jewelry. The audiobook is a great place to start to achieve that goal of creating great piece of wearable art. Of course this will not appeal to everyone as not all are interested in using their hands or creativity to make something, but for those who are it, works.

Customer Reviews

loved it

I found this book to be helpful in understanding the techniques and tools as well as the different types of jewelry marking supplies

wish this had more & different patterns otherwise if this is what you are looking for , it's great

This book is a good starter for beginner jewelry makers being self-taught. There are a lot of tips and tricks in this step-by-step guide. Janet Evans shows detailed pictures in his book. Great starter book. Loved the quick download.

Love

I got a lot of great information out of the book. I am very pleased with it.

Uninformative .
