Monet: 16 Art Stickers (Dover Art Stickers)

Synopsis

Regarded by many as the greatest of the Impressionists, Claude Monet (1840–1926) was encouraged early in his career to paint outdoors, accurately rendering atmospheric effects and producing superb works that brilliantly record the transient effects of light. Late in life, beset by increasing blindness, he painted large, vibrantly colored subjects that eventually came to represent the most sophisticated stage of Impressionism. Among the 16 beautiful sticker reproductions of his major works included here are *Water Lilies (the Clouds)*; *The Stroll*; *Camille Monet and her Son Jean*; *Camille Monet in the Garden of Argenteuil*; *The Road Bridge at Argenteuil*; *Water-Lily Pond*; *Young Women in a Boat*; and *Regatta at Argenteuil*.

These were okay, my son liked them. However, they were too small to see the points of color, brush strokes and dabs of color that makes Monet the great impressionist painter he was. But it did get my son familiar with Monet's work.

I love these stickers. I'm old fashioned and love to send real mail - the kind you actually go to the post office and put a stamp on and have to think about. I love putting these on the back of letters as just a little extra touch. Not sure if my recipients enjoy getting them as much as I like sending, but it's a nice to way share my love of Monet and support the lost art of letter writing all at the same time!

Super cute!

Beautiful. Free postage and cost was \$1.98. Nicer than any Disney type stickers.

LOVE these little masterpieces! I originally bought them because I like to send letters to people but find that the glue used on envelopes does not seal well (regardless of brand) and use these to seal the back. Upon receiving them I HAD to keep my favorites (yet, I don't know what I'll use them for yet!) Whether letter lover, art lover you'll find that these are little gems. I also think that they would make a good gift idea for young ones because all of these artists sticker packages shows the most popular works and names.

I love Dover Art Stickers! They are fabulous in a tiny prayer journal. These Monet stickers are really pretty.

I do not know how my friends and the electric company feel about receiving envelopes with stickers like these as sealers on the back ... but I hope they brighten their days a little. When I use them, they are meant to help keep the envelope flap sealed and to be cheery when the recipient starts to open the envelope. Who knows but I enjoy using them from time to time.

Very amazing artwork and I really like to stick them on my binders and other things just to add some beauty to something that was cheap and plain like a folder or anything really!
