Customer Reviews

This was a very educational read that I had downloaded to my kindle. If you enjoy facts and trivia like I do, then I suggest you look into this. Bill O' Neill keeps you intrigued with his meticulous research and provides your mind with nourishing bits of information. I guarantee you will enjoy this

Another book with awesome facts that I had no clue about! Great and simple read. You can read as much or as little as you want. As it's a long list, it's easy to just stop if you have to do something. So it's a great read for my busy schedule.

Well written. I read an average of TWO books a week.

Five days a week throughout this great country, former immigrants are becoming citizens, but before they can actually take the oath to have their dreams of officially being part of our nation they must pass a test consisting of several important general questions about the United States. But how many of us know those little tidbits of interesting facts and trivia of our great country. Bill O'Neill in this book provides his readers 1,000 of these well-research facts covering such areas such as: Presidents, History, Religion, the Constitution, Interesting Laws on the Books, Military, and of course there's also Weird and Random Facts. All in all, this book will prove to be quite interesting and information to anyone who wants to learn more about the United States of America; and for informing his readers in such an entertaining fashion I've given this book 5 STARS.
