Bunny Cakes (Max And Ruby)

Synopsis

It's Grandma's birthday, and Max wants to make her an icky, worm-infested cake. But Ruby says, "No, Max. We are going to make Grandma an angel surprise cake, with raspberry-fluff icing." Will Max let his bossy older sister keep him out of the kitchen? Or will they both become bunnies who bake?

Customer Reviews

"It's kitchen chaos when Max and Ruby become bunnies who each bake a cake for Grandma's birthday. When it comes to the interplay between pared-down text and eventful illustrations, Wells, quite simply, takes the cake," said PW in a starred review. Ages 3-7. (Feb.) PreSchool-Grade 1. Undaunted Max and bossy Ruby, rabbit siblings, make the perfect cakes for grandmother's birthday. A confectionary delight, with layers of laughter. Copyright 1997 Reed Business Information, Inc. --This text refers to the School & Library Binding edition.

The class of pre school 1 enjoyed the project week we spent on Bunny Cake , Max and Ruby, Five

fun days of different activities and making cup cakes at the end of the week to celebrate Read across America We turned our dramatic Play area into the grocery story and used bunny money to buy stuff. we also made book markers with Max Ruby and grandma on them . A parent cam to class and read the story while the children wore bunny ears!Thanks!!!

I loved this book, as does my three-year-old. It's about a sister and brother who each set out to make a birthday cake for their grandmother. The brother keeps accidentally messing up his sister's efforts, and he has trouble expressing what he wants to buy to put the finishing touches on the cake. The brother's efforts to express himself are sweet, and I think any pre-schooler would love this colorful, joyful, fun-loving tale.

Cute little story. Ordered this book to prepare for reading to an elementary school class as part of a local group. The kids loved the story. They loved that someone came in to read to them. Wonderful experience. Now I will read it to my newest grandchild. :)

Great book

We have this book memorized, so when we lost it I had to get a new one right away

This is one of our favorites; my kids loved it growing up.

This is our very favorite Rosemary Wells book. Who wouldn't love Red Hot Marshmallow Squirters?

Cute book for ages 4-7
