ISBN-13: 978-0762702251

Product Dimensions: 7 x 5 x 0.6 inches

Shipping Weight: 7.2 ounces

Average Customer Review: 4.0 out of 5 stars 1 customer review

Best Sellers Rank: #3,101,075 in Books (See Top 100 in Books) #48 in [Books > Travel > United States > Tennessee > General](#) #1301 in [Books > Travel > United States > South > General](#) #6533 in [Books > Sports & Outdoors > Hiking & Camping > Excursion Guides](#)

## Customer Reviews

Meander through more than 125 of Tennessee's best wilderness trails outside the Great Smoky Mountains National Park. With this fully-updated guide, you'll explore scenic trails, urban walks, state and federal trails, historic trails (including Daniel Boone's path through the Cumberland Gap), and much more. Inside this guide you'll find details about each trail's length, access, degree of difficulty, and points of current and historical interest; maps depicting trail routes, creeks, rivers, roads, shelters, and more; trails with handicapped access; and names and addresses of trail organizations in the state. Hiking Tennessee Trails is the perfect companion to hiking and backpacking through the wonders of Tennessee's wilderness.

I found this book to be quite interesting and informative. It discusses not only the trails themselves but their history. The physical descriptions of the trails are excellent, however I would have liked to see more detailed maps. It is a wonderful book to use as a reference.
