Came in great condition. No missing or torn pages even though I bought it used. I used this for my menu planning classes at college and it was very helpful and informative.

Required purchase for my son at college

Ordered this book because it was cheaper than getting it on campus. Had to have it for a required course. Really interesting book if you're interested in opening a restaurant!

Great!

I'm very happy with the book, I got the book before I expected. Quick service, no problems. The book was in very good shape like it was said. Good Job!

This a great straight forward book. I was very happy with the condition of this book. Thank You, I will be buying again soon!

I received this book on time and good shape. I would buy from them again.

Why I chose this book well cause I'm learning to become a chef and this book was the only one I could get but I may consider buying more to improve my knowledge on Food Industry
