Tales Of The Ones Led Out (Storyweaver)

Synopsis

Priyanka opens her eyes to hope. Adrian stops walking in anger and steps out in faith. Anne-Marie anxiously waits to be heard. Steve runs from his past into a future he couldn't imagine. Shannen spreads the story of the one who never let go. Five real-life stories from around the world show what happens when children listen to the Shepherd who calls them by name. In this collection of 5 real-life stories, a compelling storyteller reveals how God is working in 5 different cultures, calling out to children and adults alike to listen to his voice and follow his leading. Like the other titles in the Storyweaver series, this book highlights some of the difficult and complex physical, emotional, and spiritual struggles of children who have been neglected and abandoned, but makes these struggles understandable and relatable to any reader. Readers will find themselves motivated to care about and to act in others' lives, and to follow God's guidance in answering such questions as: How do I pray? What can I give? Where can I go? Who will I serve? Who can I tell?

Customer Reviews

Like the other 2 books in her Storyweaver series, the stories are a quick read but very powerful and really get you thinking about how much we have that so many others don't even hope for - and spurs you on to try to help make a difference for these kids whether you get involved locally or reach out globally.

I would recommend this book to all readers. Be prepared to be challenged, encouraged, and ready to do something! I am sharing it with all my friends and family!

This is awesome! The book really will change your life
