The Armor Of God

Synopsis

All day, every day, an invisible war rages around you – unseen, unheard, yet felt throughout every aspect of your life. A devoted, devilish enemy seeks to wreak havoc on everything that matters to you: your heart, your mind, your marriage, your children, your relationships, your resilience, your dreams, your destiny. But his battle plan depends on catching you unaware and unarmed. If you're tired of being pushed around and caught with your guard down, this study is for you. The Enemy always fails miserably when he meets a woman dressed for the occasion. The Armor of God, more than merely a biblical description of the believer's inventory, is an action plan for putting it on and developing a personalized strategy to secure victory. (7

Sessions) Features: Bible Study Book includes 6 weeks of homework that can be completed between 7 group sessions Includes leader helps and perforated prayer cards that can be used to develop a prayer strategy Leader material (guides to questions and discussion with small group) Benefits: Equip women to get serious, specific, and strategic in their discipline of prayer Turn challenges and discouragement into opportunities for prayer Grow spiritually as you dig deeper into Scripture and expand your understanding of prayer Develop and implement practical, purposeful prayer strategies Appropriate for new or inexperienced Bible study students as well as those well-versed in Scriptures Leaders can be assured of a trusted teacher in every group Opportunity for multiple leaders or facilitators

Customer Reviews

Priscilla Shirer is a wife and mom first, but put a Bible in her hand and a message in her heart, and

you'll see why thousands of women meet God in powerful, personal ways through her conferences, books, and Bible studies. Those include New York Times bestseller *The Resolution for Women*, as well as many other favorites (Jonah, Gideon, Breathe, God Is Able, Discerning the Voice of God, to name but a few). Priscilla's gift for boldly proclaiming the uncompromising truths of Scripture while ushering people into daily, intimate, destiny-driven experience with Christ takes her around the world, sharing the Word in person with tens of thousands each year. Through *Going Beyond Ministries*, she and her husband Jerry count it as their privilege to minister to people from all cultures and denominations. Together, the couple is raising three active boys.

Curious about the 1 Star ratings, I read them. YES, this is a workbook - which I usually don't really like to do. BUT THIS WAS WAY BETTER AS A WORKBOOK, than simply a book BECAUSE Priscilla has one identify their current life issues (ex -strain with a boss, feeling defeated as a mom with parenting issues, financial concerns, upcoming holidays with troublesome relatives, etc. etc.) and then has me apply the armor to these issues as we study each new piece of armor. Talk about user friendly! Each piece of armor has 5 days of study to understand and apply it to my life. #2 - THIS IS NOT A SCARE TACTIC (this is about the reality of Satan and his attempts to diminish/sabotage our relationships with God and those around us). After all, what was Jesus talking about when he told Peter, "Get behind me Satan!"? Peter was speaking out words that Satan would use to divert the Lord from defeating Satan on the Cross! Whether you like to think about Satan or not, THE TRUTH IS THAT WE ALL HAVE INNER STRUGGLES and OUTWARD CHALLENGES at times, that often spill out into our relationships with others. And this sometimes causes us to ask "WHERE ARE YOU GOD?" or "WHY IS THIS HAPPENING TO ME?" The Armor of God which the Apostle Paul teaches about in *EPHESIANS 6:8-10* helps us to focus on going to God with our struggles, our torn relationships, our pressing issues in life instead of trying to handle them on Our Own or being Overwhelmed by them. This is not about fearing Satan, but about how to ALWAYS BE READY TO seek God's counsel and learn to ask Him how to respond, how to put things in His hands, trusting Him, and no longer worry and no longer walk around with a defeated outlook. God is our Strength, and our biggest Encourager. He gave us Spiritual Armor TO USE! (*Ephesians 6:10-18*) And like any one who uses armor in a battle, we need to learn what our armor is, what it does, and how to use it. THIS IS A GREAT DEVOTIONAL book to draw you closer to the Lord and strengthen your faith. Ask the Lord and see if He thinks it's a good idea :) Then use it. You are in my prayers this day. Lord bless their walk with You. (from a Pastor's wife, Sunday School

teacher to both teens and to K-5th, who also has read a lot of books as the Church Librarian and yet grown tremendously from this Study. I've been a Christian since I was 9 and yet over the past 50+ years, with great joy, I continue to grow in my walk with the Lord through good times and hard! I hope you will too!)

Priscilla Shirer is a terrific author, speaker and actress, a woman who God is using mightily to equip and educate in this generation. The Armor of God is a powerful book full of prayer revelation and instruction on how to use your armor as the weapons of warfare they are . With her trademark down-to-earth honesty and transparency, Priscilla has penned a remarkable study on every Christian's battle armor. In this amazing, God-inspired 6 week Bible study you "won't be able to sit back and just observe, you'll have to full engage" and participate to reap the full benefits of all the armor God has given for our defense against the attacks of the enemy. Some of my favorite quotes: *prayer activates your spiritual armor* battles in this world are directly related to the wrestling match being waged in the invisible spiritual world* the armor of God is your action plan for putting on God's armor and giving you a personalized strategy to secure victory* our prayers will be targeted secret weapons divinely authorized by God to stop the devil in his tracks* God's armor is industrial grade survival gear. Honestly, the entire study is chock full of so much spiritual wisdom and insight I could go on and on! Do yourself a favor and get this Bible study, I highly recommend it! It's so well done!

This is a much needed Bible study! If you want a closer walk with God and a chance to win the battle you fight with the enemy daily, you need to be prepared. Priscilla will help you do that with this study. She begins with an Introduction to the study. And then each week has a starting point with a video and some questions to answer. It continues with a daily in depth study including Scripture reading and questions. I did not have the video, so it was difficult to answer the weekly introduction questions, but the video lessons are available through Lifeway for personal or group studies. There are six weeks of lessons, and each week has five days to work through, following the introduction. After week one's "Sizing up the Enemy", each week is about a part of the armor necessary to defeat our enemy. Week two - The Belt of Truth, Week three - The Breastplate of Righteousness, Week four - The Shoes of Peace, Week five - The Shield of Faith, Week six - The Helmet of Salvation. There are also five Digging Deeper sections. Session seven ties it all up with the Sword of the Spirit. There is also a Leader Guide in the back as well as Prayer Strategies and cards to use with your prayers. This book is certainly a wonderful tool for growing in the Word. It can be used for personal

Bible study at home or maybe a small group study or even a larger group. The videos would be helpful for each weeks introductions especially if you decide to use this as a group study. Through this study of Ephesians 6:10-19, Priscilla is helping us learn how to put on and use the armor of God, as well as, pray! Her goal is for us to really pray, not just talk about it, or think about it, but do it!! I would recommend this study to anyone who wants to grow spiritually, but be ready, then enemy is not going to give up easily. You can be victorious though, because "greater is He that is in you." I received this book from B&H Blogging Group and Lifeway in exchange for my honest opinion
