All Dressed In White: An Under Suspicion Novel (Under Suspicion Novels)

Synopsis

The second thrilling novel in the New York Times bestselling Under Suspicion series following The Cinderella Murder, featuring intrepid television producer Laurie Moran as she investigates the case of a missing bride—new from Encore at a great price! Five years ago Amanda Pierce was excitedly preparing to marry her college sweetheart in a lavish ceremony at The Grand Victoria Hotel in Palm Beach. Then, with their guests and families on site, Amanda disappeared. In present-day New York City, Laurie Moran realizes a missing bride is the perfect cold case for her investigative television series, Under Suspicion. She and her team set out to recreate the night of the disappearance at the Florida resort with Amanda's friends and family in attendance, hoping to shed new light on the mystery as the series has done in past episodes. With a jealous sister, playboy groomsmen, Amanda's former fiancé now married to a bridesmaid, and rumors about the "beloved" bride herself, Laurie and Under Suspicion host Alex Buckley quickly realize everyone has a theory about why Amanda vanished into thin air. One thing is certain: whoever was behind Amanda's disappearance plans to keep the truth hidden "until death do they part." The bestselling Under Suspicion series from Mary Higgins Clark and Alafair Burke offers "plenty of intrigue and excitement" (Publishers Weekly, on The Cinderella Murder). Featuring the chilling suspense and elegant settings fans have come to love, All Dressed in White is not to be missed.

Customer Reviews

Praise for *All Dressed in White* – “An explosive mix of family drama, secrets, rivalry, money and deception. A dandy whodunit with numerous plausible suspects, skillful misdirection, an exotic setting and smooth prose, it combines Clark’s skill at plotting romantic suspense with Burke’s edgier take on the genre. For those who enjoy escaping into a fine mystery, it’s the perfect hot read for chilly nights.” (Richmond Times Dispatch) “[A] scintillating sequel. Clark and Burke’s collaboration is as smooth as rum and coke, with just enough kick to make the reader thirsty for another.” (Publishers Weekly)

Praise for *The Cinderella Murder* – “Fans will find plenty of intrigue and excitement in this contemporary thriller. . . . Clark keeps readers in suspense.” (Publishers Weekly) “The snappy pace, layered characters, and many plot surprises will keep readers guessing in this fascinating mystery by two talented writers.” (Booklist) “This serendipitous series launch will satisfy Clark’s legion of fans and may well win her some new ones.” (Kirkus Reviews) “Seamless writing, sympathetic characters (and a few scoundrels), and brisk plotting. . . . Clark and Burke are entirely formidable on their own, but this new partnership proves that there’s something to be said for double trouble, which is a real treat for readers. . . . is a winner.” (Hartford Books Examiner) “The combination of Clark’s talent for suspense and Burke’s harder edge proves successful in this hot read about a cold case.” (Richmond Times Dispatch) “A layered mystery that is sure to keep readers guessing until the end. . . . A surefire puzzle.” (Bookreporter) --This text refers to an out of print or unavailable edition of this title.

The #1 New York Times bestselling author Mary Higgins Clark has written thirty-seven suspense novels, four collections of short stories, a historical novel, a memoir, and two children’s books. With her daughter Carol Higgins Clark, she has coauthored five more suspense novels, and also wrote *The Cinderella Murder*, *All Dressed in White*, *The Sleeping Beauty Killer*, and *Every Breath You Take* with bestselling author Alafair Burke. More than one hundred million copies of her books are in print in the United States alone. Her books are international bestsellers. Alafair Burke is the New York Times bestselling author of eleven novels, including *Long Gone*, *If You Were Here*, and the latest in the Ellie Hatcher series, *All Day and a Night*. A former prosecutor, she now teaches criminal law and lives in Manhattan.

ALL DRESSED IN WHITE: A novel by Mary Higgins Clark. *The Cinderella Murder* was the first of the Under Suspicion series; this story is even better. *Under Suspicion* is a reality TV program based

on cold case, unsolved murders/disappearances. Amanda Pierce vanishes on the eve of her wedding. Two theories emerge: either Amanda met with foul play or she got cold feet and took off. After five years, Amanda's mother approaches Laurie Moran, producer of the popular TV series, to use her daughter's disappearance as the subject of her next episode. The mother is convinced that Jeff Hunter, Amanda's fiancé, murdered her for financial gain. The wedding party participants and family all gather at the Grand Victoria Hotel in Palm Beach to reenact events leading to the bride's disappearance. The story builds slowly with the many characters eyeing one another as the murdering culprit. Following many twists and unexpected turns, the story's plot moves into an exciting and surprising climactic ending. Mary Higgins Clark has not lost any of her writing talent, she has only improved with age. I have enjoyed the under suspicion series and hope there is a third installment. I give All Dressed In White a 5-star rating; a very entertaining novel.

I'm thoroughly enjoying this series of books, well the two so far. While they aren't as nitty gritty, in depth as other options, they are a great solid read. Real suspense. Real thrills! The authors manage to get you on the edge of your seat quite quickly and merry go round you a few times before the explosive conclusion! I'm excitedly looking forward to the third installment.

All Dressed in White is the latest addition to Mary Higgins Clark & Alafair Burke's Under Suspicion mystery series. In this outing, the cast and crew of the cold case TV show are profiling the unsolved disappearance of a bride who vanished five years earlier. Television producer Laurie Moran is about to pitch her latest ideas for the next episode in her popular television show when Sandra Pierce drops by her office in hopes of convincing Laurie to feature her missing daughter's case. Dubbed the Runaway Bride, Amanda Pierce vanished without a trace the day before her destination wedding and no one has seen or heard from her again. Despite a thorough investigation, the police could not say with any certainty that foul play was involved in her disappearance, but Sandra remains convinced Amanda's fiancé Jeff Hunter murdered her for financial gain. Once all of the members of the wedding party and Amanda's family agree to participate in the show, Laurie, along with her cast and crew, head to Palm Beach to reenact the events leading up to Amanda's disappearance in hopes of solving the case. Laurie is no stranger to losing a loved one to murder and she understands better than anyone Sandra's need for answers about her daughter's disappearance. Laurie's preliminary research

supports the theory that Amanda did not leave under her own volition but with a plethora of suspects, which includes not only Jeff, but his current wife (and Amanda's best friend) Meghan White, and Amanda's sister Charlotte. Laurie still has a lot of work ahead of her. New clues emerge after reviewing the security footage from the hotel, but there is still very little evidence as to the perpetrator's identity. During the course of the investigation, it also becomes apparent there are several members of the wedding party who are harboring secrets they are reluctant to have revealed. The pool of suspects is vast and the information that Laurie uncovers does not help narrow down her list or their possible reason for murdering Amanda. Jeff is a natural suspect since he stood to gain a vast fortune in the event of Amanda's death. His rather quick marriage to Meghan also paints him in an unflattering light but does that also make him a killer? Meghan also falls under suspicion considering her marriage to Jeff but Laurie also discovers the two women were quarreling in the days leading up to Amanda's disappearance. Close friend Kate Fulton is afraid a secret she is keeping will be exposed but does this have any bearing on what happened to Amanda? Jeff's groomsmen are obnoxious and seemingly harmless but their actions are also closely scrutinized throughout the investigation. A surprise suspect emerges after the wedding photographer remembers his assistant was not initially questioned after Amanda's disappearance. News about the murder of a student from the same campus where several of the key players attended college piques Laurie's interest but is there any connection between that long ago homicide and Amanda's case? Intricately plotted with a fantastic cast of characters, *All Dressed in White* is a cleverly written whodunit. This engaging and fast-paced mystery will stymie readers as Laurie and her team investigate their latest cold case in hopes of discovering the truth about what happened to missing bride Amanda Pierce. Another excellent collaboration from Mary Higgins Clark & Alafair Burke that old and new fans of the *Under Suspicion* series are sure to love. I received a complimentary copy for review.

I love this series it's very interesting, loaded with suspicion as I try to guess who the perpetrator is and once again I never figured "Whodunnit". I've already purchased the third book in the series and I highly recommend this fabulous spellbinding book.

I read the *Cinderella Murder* and couldn't wait to read *All Dressed in White*. It was really another huge hit for Mary Higgins Clark. It is full of intrigue, twists and turns, and so very good. I just knew I had it all figured out, but one last twist proved me wrong. I guess that's why I love Mrs.

Clarks books so much. You are never disappointed. I recommend this page turner to everyone! !!!

I have always loved Mary Higgins Clark novels and wanted to try her new series with Alafair Burke. I am so glad I did. The writing was on the same superior writing as all the original Mary Higgins Clark books. I am enjoying this series very much.

WOW! This book was a real page turner! Twists & turns until the very end. I definitely didn't see that one coming. I cannot wait to read the next book in this series. I am very invested in these characters. Great writing once again! A must read!!!

I have loved Mary Higgins Clark since I was a child and I couldn't have been happier than her teaming up with the Alafair Burke (another one of my favorite authors). This book is a must read
