Customer Reviews

'When it all becomes clear as day, the reader can only say, "Now why didn't I think of that?" But he never does. Miss Christie at her best.' Springfield Republican

Agatha Christie was born in Torquay in 1890 and became, quite simply, the best-selling novelist in history. Her first novel, *The Mysterious Affair at Styles*, written towards the end of the First World War, introduced us to Hercule Poirot, who was to become the most popular detective in crime fiction since Sherlock Holmes. She is known throughout the world as the Queen of Crime. Her books have sold over a billion copies in the English language and another billion in over 100 foreign languages. She is the author of 80 crime novels and short story collections, 19 plays, and six novels under the name of Mary Westmacott

Miss Marple is so unobtrusive. So hidden in the background around other characters. You hardly know she's there. She's like your favorite spinster Auntie. You both are listening to the same clues,

but you just can't figure out how she solved the murder before you did. I don't believe I have ever been able to solve a crime before the end of the book. Christie is a master of subterfuge. She can branch off in so many directions and make each one seem that that is the only solution to the murder and then blindsides you with a completely different ending. This CD set was a series of Miss Marple's final cases. All read by different narrators, but each one was enjoyable. They kept me sitting in my car long after I had arrived at my destination. I still have several Christie books I haven't read yet.

I loved it. Agatha Christie is my favorite author. The shows were done well and I got a lot of work done while listened. Great quality on the disc. Fairly priced. Thank you.

The quality of the audio was scratchy and unclear!

Totally Agatha Christie. Always a great story

For fans of Joan Hickson's portrayal of Miss Marple, it will be lovely hearing her voice. Be forewarned however that the last two stories were read by someone else, presumably since Miss Hickson passed away.

The stories were new to me and I enjoyed them but it seemed that it didn't take long to listen to them.

always good reading.

Agatha Christie is my favorite author, so I'm biased. Miss Marple has always been just fine to me, but I will say I enjoy short stories featuring her quite a bit. A must-read for any mystery fan.
