The Rough Guide To Oregon & Washington 1 (Rough Guide Travel Guides)

Synopsis

The Rough Guide to Oregon and Washington is the definitive guide to these scenic Pacific Northwest states. The Twenty-four colour pages introduce the region, providing suggestions on what to see and do and when to go, as well as featuring snapshots of over twenty of the area's highlights. Beginning with easy-going Portland and finishing with geologically diverse eastern Washington, you'll find more extensive and detailed coverage than in any other guide. The two colour sections- Beer and scenic hikes beautifully introduce two of the major passions in the two states: beer and hiking. Complete with practical information on getting to and around the two states, you'll find informed descriptions and accurate listing of the best bars and accommodation. The guide also takes a detailed look at the region's history, flora and fauna, surveys the best films and books on Oregon and Washington, and includes new maps and plans for every area. The Rough Guide to Oregon and Washington is like having a local friend plan your trip!

Book Information

Series: Rough Guide Travel Guides

Paperback: 496 pages

Publisher: Rough Guides; 1 edition (October 29, 2007)

Customer Reviews

"I used this book to plan a recent trip to Oregon. It's coverage was first class." --This text refers to an out of print or unavailable edition of this title.

Various Authors

Short 15 pages.

Find another guide. The writers of this one included a snarky undercurrent of anti-US disdain, with thinly veiled social commentary on everything from native indians to the Department of Defense. It's just tiresome. I've found several beautiful areas on the coast of southern Washington that were dismissed as "low-rent" by the condescending authors. This edition is out of date and out of touch. Avoid.

THE ROUGH GUIDE TO OREGON AND WASHINGTON 1 is a great book covering both states. It covers all of the essentials about sightseeing, dining, outdoor activities, shopping, and nightlife, as well as discussing several important Seattle neighborhoods. The two malls covered in this book are Westlake Center in Seattle, Washington, and Lloyd Center Mall in Portland, Oregon. Unfortunately, the book totally misses several other malls in both the Portland and Seattle areas, as well as the posh unincorporated Portland suburb of Dunthorpe and several other Portland neighborhoods. Overall, though, this book is totally wonderful, despite these omissions, and is a great supplement to several other books about the area.
