## Customer Reviews

This map is totally cool. Will definitely fit in a purse or back pocket of your jeans, and works like a little pop out in a kids book (although flat when you open it completely). Very cool. I can't wait to use it.

In some cities I have visited I have found nice easy to read maps that help you get around. This is not one of them.

This map has VERY small writing. We are going to have to take a magnifying glass with us to try to

use it on our trip!!

The only small and fold out map of Frankfurt. Great information and easy to read. Excellent as are all of their maps.

Fascinating. My son uses this PopOut map frequently as he works in Frankfurt/

I bought this map for a recent trip to Frankfurt..The map was colorful and showed different sized maps of the area, plus the U-bahn and S-Bahn map, but the writing was very small, and the area of the Old Town was much too small. This is the area most tourists want to go.
