AP[®] European History Crash Course Book + Online (Advanced Placement (AP) Crash Course)

Synopsis

REA's Crash Course for the AP[®] European History Exam - Gets You a Higher Advanced Placement[®] Score in Less Time

About this new exam and test prep: The new AP[®] European History exam is structured around five course themes and 19 key concepts in four different chronological periods, from approximately 1450 to the present. REA's all-new AP[®] European History Crash Course is perfect for the time-crunched student, the last-minute studier, or anyone who wants a refresher on the subject. Are you crunched for time? Have you started studying for your Advanced Placement[®] European History exam yet? How will you memorize everything you need to know before the test? Do you wish there was a fast and easy way to study for the exam AND boost your score? If this sounds like you, don't panic. REA's Crash Course for AP[®] European History is just what you need. Our Crash Course gives you:

- Targeted, Focused Review - Study Only What You Need to Know

The Crash Course is based on an in-depth analysis of the new AP[®] European History course description outline and actual AP[®] test questions. It covers only the information tested on the exam, so you can make the most of your valuable study time. Written by an AP[®] European History expert the targeted review prepares students for the new test by focusing on the new framework concepts and learning objectives tested on the redesigned AP[®] European History exam. Our easy-to-read format gives students a crash course in the historical events, topics, and issues in European History. The book also features must-know terms all AP[®] European History terms students should know before test day.

- Expert Test-taking Strategies

With our Crash Course, you can study the subject faster, learn the crucial material, and boost your AP[®] score all in less time. Our author shares detailed question-level strategies and explains the best way to answer the multiple-choice and free-response questions you'll encounter on test day. By following our expert tips and advice, you can boost your overall point score!

- FREE Practice Exam

After studying the material in the Crash Course, go to the online REA Study Center and test what you've learned. Our free practice exam features timed testing, detailed explanations of answers, and automatic scoring analysis. The exam is balanced to include every topic and type of question found on the actual AP[®] exam, so you know you're studying the smart way. Whether you're cramming for the test at the last minute, looking for extra review, or want to study on your own in preparation for the exams - this is the test prep every AP[®] European History student must have. When it's crucial crunch time and your Advanced Placement[®] exam is just around the corner, you need REA's Crash Course for AP[®] European History!

By following the author's expert advice, you can boost your score in every section of the test.KEY TERMS YOU MUST KNOWKnowing the right terminology can make a real difference in your score. Our expert advice includes the key terms you need to know before taking the AP European History exam.

Larry Krieger earned his B.A. and M.A.T. from the University of North Carolina at Chapel Hill and his M.A. from Wake Forest University. In a career spanning more than 35 years, Mr. Krieger has taught a variety of AP® subjects including U.S. History, World History, European History, U.S. Government, and Art History. His popular courses were renowned for their energetic presentations, commitment to scholarship, and success in helping students achieve high AP® exam scores. All of Mr. Krieger's students scored above a 3, with most students scoring a 4 or a 5. In 2004 and 2005, the College Board recognized Mr. Krieger as one of the nation's foremost

AP® teachers. Mr. Krieger's success has extended far beyond the classroom. He conducts SAT® and AP® workshops around the country, and has spoken at numerous Social Studies conferences. In addition, he is the author of several widely used American History and World History textbooks, as well as REA's Crash Course® test preps for European History, U.S. History, U.S. Government & Politics, and Psychology.

Crash Course AP European History is exactly what it claims to be: a brief, clear review of AP European History for students who waited til the "last minute" (i.e., a few weeks) to study for the exam. Folks complaining that it doesn't have 2 full practice exams haven't paid attention to the description of the book--it doesn't claim to Do It All. It's much smaller than the full size study guides on purpose; great to keep in your backpack for quick unit reviews. I've taught AP Euro over 20 years and always recommend it to my students.

For quick and concise review close to test day this is a great book. However, if self studying i would recommend another review as this doesn't go as in depth as needed.

This book saved me for the European History exam. Unlike the Princeton Review and Barron's book, it only contains the necessary information needed for the AP test, which makes it perfect for cramming. Only warning is that it is very information dense, because everything on it has a purpose and is necessary to know for the AP test, but it is a relatively small book.

This helped my granddaughter so much with her AP class. She feels so much better and this is written in simple English so that it is easy to understand.

Thank goodness for this series. AP classes would be much more difficult without these books.

I love this book. Very concised and bought it cuz of online YouTube recommendations by other students who got a 5. But yea, it's still summer for me so I don't know if it'll help with my class or the ap test may 2018. Hopefully yes and I've read through it a little bit to get a feel of wha I'll be learning this year and I have to say the materials are pretty interesting. I'll update once I take the test and get my results back

My daughter liked this the best of the several books I got her. It did a good job of providing a

framework for all the history details--much better than her class curriculum, actually. If you get only one book I would recommend this one.

Combined with the Princeton Review AP review book, you'll be prepared for the AP exam. This book goes directly into the information, breaking it down into concise topics. While I used the other book for the practices it had. Good luck with your AP exam!!!
