Justin Bieber: Believe

Synopsis

One of the most eagerly anticipated albums of 2012 is Justin Bieber's Believe, whose smash hit "Boyfriend" shot up to No. 1 on iTunes within hours of its release, and this book is a visual look at the months leading up to the album's release. It includes photos from the star's 18th birthday celebration in early March, his recent appearance ringside with Floyd Mayweather Jr., his performance on the season finale of The Voice, and much more. It's a ride alongside the superstar as he crosses the globe from Hollywood to New York to London and beyond. Including numerous full-color photographs, Justin Bieber: Believe is the inside source for fans looking for the latest on their favorite star and his upcoming album.

This was also a favourite as the information was up to date it was a very good read and the information was not just rehashed

Gave this special "18" book to my Granddaughter for her "18" Birthday!!!! Luved it! going to see him

in Montreal in May. Thanks

Loved the whole book...

My 8 year old daughter fell over when she opened this on Christmas. I couldn't believe how much she liked it, considering the other gifts she received as well. A+ recommendation for your Bieber fans.

My granddaughter asked for this book for her birthday. It was her favorite gift! Well worth the money for all the information you receive. And the pictures are gorgeous!
