Coloring Paris: Featuring The Artwork Of Celebrated Illustrator Tomislav Tomic (PicturaTM)

Synopsis

Pictura showcases a stunning range of art to collect and admire and encourages beginning to advanced artists to put their own stamp of creativity on the artwork by coloring it in. Its unique accordion foldout format makes it an attractive decorative piece that can be displayed and shared with others. Some of the world's most famous and respected illustrators set the foundation of the artwork by creating beautiful, original, and imaginative scenes. It is up to the individual to color in these spectacular settings, enhancing the scenes and adding their own personal touch. Coloring Paris features the unique art of talented artist Tomislav Tomic, whose style is so detailed and precise that his drawings take on an engraved look. Through Tomislav's beautiful renderings of Paris, circa 1900, artists are transported to a city filled with excitement as it holds the World's Fair. On the flip side of the panel, artists can learn more about the featured landmarks and how to draw a hot air balloon and your own Parisian scene. With so many details packed into an 8-panel display, Coloring Paris invites artists to explore an exciting time and place in history in the comfort of their own home.

Tomislav Tomic studied at the Academy of Fine Art in Zagreb, graduating in 2001, and is now a professor of illustration there. He started publishing his illustrations while in school, and since then he has illustrated many picture books and textbooks for clients both in Croatia and the UK. Tomislav lives with his wife and twins in Zapresic, Croatia.

This is not a coloring book....it's a foldable brochure. The graphics are great and fun to color, but the folded sections all form one picture.

I gave this to a friend who was taking her 9 year old son to Paris. They had fun coloring it on the flight over. It can unfold to create an aerial view illustration of the city. They had fun talking about all the places they were going as they colored. Hope this review was helpful

Gorgeous. I loved this and bought every other design the company offers after receiving it! Try the medieval one if you like this one, its pretty amazing. :)

This is a nice foldout coloring book. All things Paris!

loved this book! Didn't realize it was a fold out! Had lots of information of the pics! Great for 11 year old!

Really cool. Very large continuous panoramic "poster". Printed on thick paper.

Very detailed representation of my favorite city.

I love to color and this CB is the best with a fold out and compact.
