No Weapon: Formed Against Me Shall Prosper

Synopsis

Sister Sandra Washington is a faithful member of Faith of Abundance Church located in Atlanta Georgia. After being divorced for several years and being in her late forties she didn't want to be alone any longer so she began to pray secretly for the Lord to send her a man who would love her and possibly be her husband. During a Sunday service little did she know the young man sitting next to her would change her life forever. His name is Malachi Steel who is a brown skin man she couldn't keep her eyes off of. Malachi, on the other hand, didn't come to church to hear the Word of the Lord, but to carry out the evil mission of pulling Sister Sandra Washington out of the hand of God and into a world that she would rather die than to live. Who sent this tall brown skin stranger into Sister Sandra Washington's life? Meet Keisha who is straight from the hood and could care less if you live or died. Her connection to this whole twisted nightmare will come as a shock as the story comes to life before your very eyes. Will Sister Washington get the man she had been secretly praying for? Will Malachi Steel achieve his mission that if he failed would not sit well with Keisha? Will Keisha finally see her master plan come to life or will the Lord come in time to put a stop to this nightmare before it's too late?

Customer Reviews

This was a assigned book club reading, however, I really didn't enjoy it. I couldn't get into the story and forced myself to read it in order to have a discussion with my club. It was all over the place and it really didn't make a lot of sense to me.

I really had to force myself to keep reading this book. I never thought anyone, especially a "so-called Christian", could be so doggone desperate. There is alot of editing that should have been done.

Good message, but the end up the book seemed rushed. I wasn't expecting the ending and it takes a lot to forgive those that mistreats you.

Liked the Bible references and scriptures used. The book had a very common story line that has been used before in other books I've read, no surprises.

Love get!!!!

The storyline was good and very different from books I've read lately. There were a few mistakes but easily to overlook. I'll be more than likely to read other books by Andre Ray.

It was ok

The story was good. The only downfall was not knowing when the the next character was speaking. Had to keep backtracking to stay on point as far as who was speaking.
