Brooks/Cole Empowerment Series: Understanding Generalist Practice (Book Only)

Synopsis

Organized around the authors' coherent and cohesive Generalist Intervention Model, this introductory guide to generalist social work practice gives students the knowledge and skills they need to work with individuals and families, as well as the foundation to work with groups, communities, and organizations. Updated to reflect current topics and practice, the book focuses on micro levels of social work practice while also discussing the interrelationship between the micro, mezzo, and macro levels. Part of the BROOKS/COLE EMPOWERMENT SERIES, UNDERSTANDING GENERALIST PRACTICE, 7th Edition, clearly identifies content related to the latest Council on Social Work Education (CSWE) Educational Policy and Accreditation Standards (EPAS) with icons throughout the text. New learning objectives, which are correlated to chapter headings and summaries, guide students' reading and reinforce their understanding.

Customer Reviews

Karen K. Kirst-Ashman is Professor Emerita and former chairperson in the Social Work Department at the University of Wisconsin-Whitewater, where she taught for 28 years. She has written six social work textbooks in multiple editions and numerous publications, articles and reviews on social work and women's issues. She also has served on the Editorial Board of AFFILIA: Journal of Women and Social Work, and as a consulting editor for many social work journals including the Journal of Social Work Education. Dr. Kirst-Ashman has been a member on the Board of the Council on Social Work

Education (CSWE) and has served as a CSWE accreditation site visitor on various occasions. She is a Licensed Clinical Social Worker in the state of Wisconsin. She has received both the University of Wisconsin-Whitewater Roseman Award for Excellence in Teaching and the University Outstanding Teaching Award. She earned her B.S.W. and M.S.S.W. degrees at the University of Wisconsin-Madison and her Ph.D. in Social Work at the University of Illinois at Urbana-Champaign. She has worked as a practitioner and administrator in child welfare and mental health agencies. Grafton H. Hull, Jr. (BS, MSW, PhD) has taught at Fort Knox Community College, Morningside College, the University of Wisconsin-Whitewater, University of Wisconsin-Eau Claire, Missouri State University, Indiana University Northwest, and, most recently, the University of Utah. He has been a faculty member, department chair, program director, director of a school of social work, and Special Assistant to the Senior Vice President for Accreditation. Among other professional activities, he has served on the CSWE Board of Directors, Commission on Accreditation, Nominations Committee, and as a President of the Association of Baccalaureate Social Work Program Directors (BPD). Dr. Hull has been a consultant to over 50 social work programs in the U.S. and Canada and a member of the editorial board or consulting editor for several journals. He is the co-author of seven texts and numerous articles in social work journals. Hull's honors include the Mary Shields McPhee Memorial Award for Faculty Excellence in Research (Utah), Significant Lifetime Achievement Award (BPD), Social Work Educator of the Year (Wisconsin CSWE), and President's Medal of Honor (BPD). His biography is listed in WHO'S WHO IN AMERICA and WHO'S WHO IN THE WORLD.

This book is essential for any social work student. Highly recommended!

Brooks/Cole Empowerment Series is by far the most comprehensive and easy to read line of texts in education in social work. It is very easy to be receptive of. Same goes for the Core Competencies books.

Its a textbook for school. I have no opinion one way or another, that's why I chose the rating of 3 stars. The book was in good condition.

Decent, much better textbooks out there regarding the subject. Hard to get through as it is so dry, but informative none the less.

This book was helpful for my first year Social work practice. If you have the money to spend you should buy the book. It helped me in my practice for sure.

good condition, thank you.

This text was sent to me with a broken spine but I had to use it because classes had already started. I tried to contact someone and never could get through.

Fast shipment and book as received as described.
