Fetish Goddess: Dita

Synopsis

Dita is the most popular model of today. Her distinctive style is a unique combination of retro glamor, pin-up and high-art eroticism, and always perfect down to the smallest accessories. She only works with the best photographers - Baker, Czernich, James & James, Weathers - and, combined with her clear vision of how she wants to look, the result is always 100% stunning and 100% Dita. Dominant or submissive, damsel in distress or provocative French maid, this genuine fetishist has laced herself up and paraded around in the highest of high heels - a true fetish goddess.

Customer Reviews

"The entrancing pocket Venus, Dita Von Teese, the queen of the burlesque revival, she of the Vargas Girl looks and the Gibson-girl figure... [as] well-known for dressing up beautifully as she [is] for undressing." -- Vogue "Von Teese channels old Hollywood pin-ups..." -- QG

Dita von Teese is the most well-known fetish/glamor model and burlesque artist in the world. Peter Czernich is an editor, publisher of Marquis magazine, fashion designer and photographer.

Photographs show more than I expected, but not over the top or obscene. If you love Dita and fetish pin ups, you'll like this.

I met Dita a few times and she's a very nice and interesting person so I decided to purchase her book. For the most part it's a vanity project, but if you think Dita is hot and you want to see her in leather or in bondage, you'll probably enjoy the book. To be honest, you are still probably better off going to the internet. You can find thousands and thousands of shots of her for a fraction of the cost of this book. However, for those who want a coffee table type book on Dita, this is it.

Excellent photographs on high quality paper. My wife is a huge fan of pin up style photography and enjoyed this book immensely

Dita is beautiful as always!! This is a great book featuring many awesome pictures of Dita in various fetish outfits! A true must for a Dita fan!

Many pictures, no words. Maybe a few that take up three pages in the beginning, but that's it. It's worth it. Pics in black and white, and color

A somewhat large book with beautiful pictures of the stunning Dita. Perfect for any Dita fan!

Simply page after page of fantastic photography of a beautiful model. Dita at her best.

Wonderful. Everything great. Fast.
