On The Road—Again: Part Two

Synopsis

This is the second part of the journal of Stuart Fairchild – now Suzie – “the rock chick”. What happens on the road to this talented guitarist leads to other roads, as a musician, artist and model – and as a female. Part Two follows Suzie and the band on the first half of an extended road trip through the Midwest. Suzie now knows that she is transgender, and learns what it means to be “the chick in the band” – and what it means to be a female in everyday life. She finds new friends and new opportunities and an ever-more uncertain future – but a future where she is female! Part Three will continue the road trip and bring Suzie home. Each Part is a full-length novel.

Customer Reviews

I found part one to drag a little. Almost as if I already knew everything that would happen. Stu is a bit weak and a bit naive and right from the beginning the reader can see that the rich, self-involved alpha males are going to take advantage and use him without his knowledge or consent. Then the whole story changes. By the time part two begins, this is now a gripping and magical journey. Stu is now Sue and reveling in his/her musical inventiveness and performing genius. As Sue's confidence

and professionalism grows, so does her fame and power over audiences. Parts two, three and four are a dramatic and delightful story, much less predictable than part one. All four parts of On the Road-Again are a single novel, albeit a huge one, and should be read together. As a single story, this is a very good story with a long slow start. Edited to add: although a big deal is made throughout the book about women who rock, example Chrissy Hynde, and although the protagonist writes her autograph, "Rock Hard, Suzie", no mention is ever made of Suzi Quatro or her monumental album "Rock Hard".

This is the absolute best of Ms Bishop's writing. I absolutely loved this series and even, unsuccessfully, petitioned her to continue it. This series has made me a major fan of her work.

quick delivery

Check out what I said how great this product was/is in review On The Road Part Four by Karin Bishop

OK I'll come straight out and say it.. This is the best tg series to date!! Well done Karin!! Before reading part 2 of 3 I had considered Tanya's "Behind the Enemy" as probley #1,.. She's written some great ones as has Karin. This series just blow all the others in the dust!! Yep your there journeying and experiencing with Suzi.. hope she has plenty more like this ready!! Can't wait!!!

great story an charaters

I love all 4 parts Karin Bishop rocks.
