Backcountry Ski And Snowboard Routes - Utah

Synopsis

This guide to Utah's premier backcountry ski and snowboard routes features nearly 100 routes, mostly located in the central Wasatch region. Especially designed for intermediate to expert skiers or boarders, each route in the guide includes: a detailed description, rating, distance, trip time, skill level, avalanche routefinding notes, starting point elevation, high point elevation, alternative route options, and more. With Jared Hargrave's local knowledge, discover the best backcountry routes Utah has to offer.

Customer Reviews

Jared Hargrave owns UtahOutside.com, an outdoor recreation website that provides news and guides for skiing, mountain biking, and more. He is producer of the KSL Outdoor Show (NBC affiliate), a frequent contributor and columnist for Ascent Backcountry Snow Journal, contributing editor and columnist for Utah Adventure Journal, and has written for other publications including Backcountry Magazine and Mountain Gazette. Jared lives in Salt Lake City, Utah.

This book is a great guide in its own right. Having a great many years of Wasatch BC under my belt I use this book as a complement to the handful of other books about the Wasatch BC and so get a more complete beta on any lines I go after.

Excellent, detail-filled.

Great addition to any Utah skiers book library.

Hargrave has done a masterful job of laying out the premiere backcountry routes for Utah. It is evident that he and his touring partners put in the leg work to get out there and collect info on the various day trips throughout the state. The photos are sharp, the maps are detailed, and the narratives are informative. I'd recommend this to anyone who lives in the state and wants to get out and about, or to those who like to travel around the world finding the best snow on earth.
