Best Sellers Rank: #7,797,412 in Books (See Top 100 in Books) #38 in [Books > Teens > Sports & Outdoors > Winter Sports](#) #216 in [Books > Sports & Outdoors > Outdoor Recreation > Skiing > Downhill](#) #311 in [Books > Sports & Outdoors > Outdoor Recreation > Snowboarding](#)

Customer Reviews

Reviewed with Pamela Pollack's *Ski!*. Gr. 9-12. Sharp, action-packed photos and punchy, magazine-style prose add to the appeal of these small, square titles in the Extreme Sports series. Chapters are brief but packed with information for beginners, introducing various styles of skiing and snowboarding; equipment and techniques; tips on training; and useful resources. Most of this is material that's frequently covered in well-written sports magazine articles; but teens will appreciate having a basic, approachable overview all in one place, written in colloquial language (a chapter called "Get Psyched," for example). They will also like the insider sidebars such as the glossary of snow terminology in *Ski!* ("champagne powder" vs. "mashed potatoes") and *Snowboard!*'s list of cool moves ("McTwist" vs. the "Pop Tart"). Relaxed, readable, and filled with helpful information, these are introductions for any teen collection where such materials are in demand. Gillian Engberg

It's kind of old now (since it's published in 2002) but in no way obsolete :) It's a great little book about the sport I love. It covers all aspects of snowboarding and gives a good look on the history of this amazing sport. The only downside is probably the fact that it does not have many pages, I bet there

are many books about skiing and I'm glad there is at least one about snowboarding and I will pass it on to my grandchildren :)
