Evangelical Lutheran Worship, Pastoral Care: Occasional Services, Readings, and Prayers

A must-have resource for any pastor who does visitations and counseling. A huge plus is that it ships free here - Augsburg Fortress charges for shipping. My only negative is I wish this book had some of the lesser used services such as installation of officers and ordination. The other volume is over \$60!

Every pastor should keep one of these in their cars!

This was a gift and the recipient was very pleased.

This is my very best resource.

good tool for a Lutheran involved in ministering to the hurting

As a chaplain intern in my first unit of CPE, I carry this with me daily. My mentor calls it my security

blanket. In the hospital setting, i am constantly responding to emergency situations. I have had to do spontaneous babtisms, communions etc. A gem.

Valuable resource for the many and varied occasions that come up in ministry. Just enough to be truly helpful, not so much it's tedious or overwhelming

This book was on back order but we only had to wait a very short time for its arrival. Great job!
