Customer Reviews

Thoroughly enjoyable, well-written and well-researched books with an interesting premise. I am more than happy to give Kevin Hearne a 5 star rating in addition to purchasing everything he has published. I hope many others discover the fun adventures of The Iron Druid and a very entertaining cast of characters. However, the reader must jump through a mandatory hoop if you choose to leave a rating. Star ratings are not acceptable on their own. No, any star rating is booby-trapped with the requirement of a written review, further weighted with a minimum word count, no less! Write a review or no stars from you. This is a tad bit bit onerous for the buyer who enjoyed reading the book and respects the author enough to pause and tap some stars. The demand for a written review effectively prevented me from posting the 5 star rating that might encourage others to enjoy an excellent book. This is ultimately unfair to Mr. Hearne, undoubtedly depriving him of many well-deserved 5 star ratings. Guilt eventually caught up with me, so herein lies not only my enthusiastic support of this book, but a bonus review of a misguided policy: to the Kindle folks or whoever came up with this Either/Or toll: lighten up on the needy/greedy gate keeping, already.

Think of how fun it would be if Sir A. Conan Doyle had produced a collection of cases that filled in the stories, such as The Giant Rat of Sumatra, casually mentioned by Dr. Watson in name only. For Iron Druid fans, this collection comes so close to being that book. I would have liked spending less time in Tasmania and perhaps spending more time hearing the origins of more of the books in his old bookstore's closed shelves.

These stories tie together and fill in gaps that always appear when an author creates multiple complicated plots. Fun to read. Thanks to Kevin Hearne ..and I can relate to Atticus' take on social media, River of Scorpions if not all three.

Great collection of Iron Druid stories leaping around through his LONG history, and some from Archdruid Owen O'Kennedy's and other favorite characters' points of view as well. Lots of laugh-out-loud moments, and of course Wolfhound Oberon's running commentary....

A great collection of short stories set in this amazing world of druids. I really enjoyed reading these, and having them in one collection is a bonus.

Always a great read as well as a listen on audiobooks

Waiting for the next book ! Hurry! Oberon needs his buddy. Don't leave him alone. And what great writing! I'm so sad when it's over.

A selection of short stories by different characters of the Iron Druid series to hold us through until the last book comes out
