Customer Reviews

Since 1982, Kaplan Nursing has been providing the nation's leading NCLEX-RN® Exam Review. With realistic practice, clinical judgment methodology and personalized content

review – all led by experienced nurse educators – Kaplan Nursing prepares thousands of students to pass the NCLEX-RN each year. Our focus is on industry-leading service, great value, and ease of use. We build nursing students' confidence so they walk into the NCLEX like a nurse. For more information, visit us at kaplannursing.com.

It was interesting that since I took NCLEX in 1991, how different the nursing strategies are. No longer is reality and logic the norm, more rules. I ordered this book as I work at a facility where the nursing students are having difficulty passing NCLEX. I am studying the book myself in order to be a better mentor to them and help them test with confidence.

Only wish it was divided into different sections, like psych, surgical etc shipped quickly

Great practice book but I wish there were more questions.

My daughter is getting ready to take her boards for Nurse Practitioner. I have been her study partner, and the book has been a life-saver in helping her to get ready.

great condition

Awesome!

GREAT

This was a great resource and it explained a lot of things that contributed to me passing my Nclex by the special grace of God.
