You Go First (Mercer Mayer's Little Critter (Board Books))

Synopsis

The first book in the new Inspired Kids line featuring the famous Little Critter! Since 1975, Mercer Mayer has been writing and illustrating stories about Little Critter® and the antics he stumbles into while growing up. Thomas Nelson is thrilled to bring this beloved brand to the Christian market with the launch of Inspired Kids, a new line of faith-based books featuring Little Critter. In *You Go First*, Little Critter loves being first—even if it hurts his family and friends. After several missteps, Little Critter learns that the secret to getting along is treating others the way he wants to be treated—which, in Little Critter's case, means letting someone else be first.

Mercer Mayer is the writer and illustrator for Little Monster(R) and Little Critter(R) books. He began writing and illustrating children's books in 1966 and since that time, he has published over 300 titles. Mayer currently lives in New England with his wife Gina, who co-wrote many of the popular Little Critter(R) books. He has four children and two grandchildren.

Great for new readers

For the people whining that this is about God, yes, it is. That's why it says Inspired Kids. I love Little Critter books, and these are great. I used them to read to a group of 4 & 5 year olds. They loved it!

It was a very good teaching book for my grand daughter who is learning to read. I've always liked the little critter books.

Thanks . Very satisfied customer .

This book was helpful for my son and I thought a good story as well as illustrating how to be polite and think of others first. It starts out with the bad choices and then shows what Little Critter could do to make the right choices and be sweet to his friends.

Standard great quality of a Mercer Mayer, then you hit the God and Bible sections... Oooops, that sucks!! We can inspire our child without an imaginary eye in the sky watching down, thank you. Would have been nice to know beforehand, but it is further down in the expanded description upon further inspection... Oh well, skim and continue!!

this story flat out sucks. For one, I don't like teaching my kid to be afraid of snakes. For two, the way they go from the 'snake' to the moral of the story (don't always insist on being first) doesn't make any sense.my kid loves it. She loves all little critter books. but it has not lessened her desire to be first at every opportunity in the slightest.

This is a great book to teach children about letting others go first!
