"there is some great stuff in this book - good ideas, pithy quotes and punchy one-liners which invite you to write them down and recall them at the appropriate time." (Edge, May 2007)

It's Monday morning and George walks out of the front door to his car and a flat tire. But this is the least of his problems. His home life is in shambles and his team at work is in disarray. With a big new product launch coming in two weeks for the NRG-2000, he has to find a way to get it together or risk losing his marriage and job. Forced to take the bus to work, George meets a unique kind of bus driver and an interesting cast of characters who, over the course of two weeks, share the ten rules for the ride of his life. In the process, they help him turn around his work and life, saving his job and marriage from destruction. The Energy Bus, an international bestseller, takes readers on an

enlightening and inspiring ride that reveals ten secrets for approaching life and work with the kind of positive, forward thinking that leads to true accomplishment; at work and at home. Everyone faces challenges. And every person, organization, company, and team has to overcome negativity and adversity to define themselves and create their success. No one goes through life untested and the answer to these tests is positive energy; the kind of positive energy that consists of the vision, trust, optimism, enthusiasm, purpose, and spirit that defines great leaders and their dreams. Drawing upon his experience and work with thousands of leaders, sales professionals, teams, nonprofit organizations, schools, and athletes, Gordon infuses this engaging story with keen insights, actionable strategies, and a big dose of positive infectious energy. For managers and team leaders or anyone looking to turn negative energy into positive achievement, The Energy Bus provides a powerful plan for overcoming common life and work obstacles and bringing out the best in yourself and your team. When you get on The Energy Bus, you'll enjoy the ride of your life. For more information, please visit www.TheEnergyBus.com

While I love Jon Gordon's teaching this book wasn't all it was hyped up to be. I did come away inspired and learned a lot...especially about positive mindset. I just had a hard time with all the made up "stories." Biggest take away from this book for me was to always remain positive. It has had a significant impact on me. The only reason I didn't give the book 3-4 stars was the fictional story telling angle it took. Other than that, great book and you will certainly leave inspired to be positive and inspire others towards positivity as well.

Recommended reading for anyone. Can be used for business, organizational and personal goals. If you are tired, "burnt out", and exhausted with life or where you are headed...Feel as if you are just existing? Relax and take a ride on the "Energy Bus". It can and will help you re-charge and recapture your passion for truly living.

This book is so inspiring! I loved the positive message. I plan to bring it into my school when working with teammates, parents & my students. I plan to purchase the child version to utilize fully in the classroom. I highly recommend this book. It is a must read for all.

This book is awesome for creating a bond between co workers and understanding how to communicate with others. I recommend this to office people, crews of whatever job you have. It is an easy read and actually very interesting while it is being sarcastic and funny all at the same time. I

worked for a big corporation and we read it for a training session. I had to buy one for my own library at home.

Thoroughly enjoyed this book! Needs to be in every managers office in every company in America! Seemed simplistic, but in reality, very deep.

A good easy read for first level but in within a group. Short story and strong message- if you want to go somewhere great, get on the bus

Great stuff, excellent for teams. I especially liked the suggestions on how to deal with energy vampires. An easy read, Zimmerman recommend it

bought it for a book club that my daughters basketball team was doing. Great book and outlook on life. Helped my teenage girls to improve their team attitudes
