On Baking (Update): A Textbook Of Baking And Pastry Fundamentals (3rd Edition)

Synopsis

This comprehensive text is designed for courses in baking and the pastry arts, yet still accessible to the aspiring home baker. Help readers understand the how and why of successful baking. On Baking, Third Edition, Update enhances the fundamentals approach that has prepared thousands of students for successful careers in the baking and pastry arts. It teaches both the how and why, starting with general procedures, highlighting core principles and skills, and then presenting applications and sample recipes. Professionalism, breads, desserts and pastries, advanced pastry work—including chocolate work—are each covered in detail. To help students truly master baking, the book also incorporates scientific, cultural, and historical aspects of the culinary arts. More than 230 new full-color photographs, 40 new recipes, and information on key trends like healthy baking, wedding cakes, and plating techniques help prepare readers to use the latest methods and recipes. Also available with MyCulinaryLab. This title is also available with MyCulinaryLab—an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. With its vast collection of recipes tested in the kitchens of top culinary schools and an extensive ingredient database, Pearson Kitchen Manager allows Chefs to maximize the value of their recipe content. New Culinary Math Problem-Sets for baking are designed to help students with varying levels of math knowledge master the basic math skills they need to be successful in the kitchen, and apply them within the context of baking.

My son used this book in a Baking I class. Very comprehensive book with a lot of info in it. I learned a lot just looking through it!!!

Very decent recipes and is up-to-date on lots of concepts. However sometimes I did have to tweak the recipe that was given since things didn't come out right. Still a decent purchase for beginning bakers learning to bake.

Awesome book!!!

Because my teacher wrote the book. Thank you Chef Eddy.

Great book. Not only it has some good and well explained information, the recipes are quite good.

This book helps me so much on my study at baking school. I recommend this as a textbook for students taking baking courses.

Great book for starter! Would recommend !

Awesome quality.
