Ferrari 250 GTO: The Autobiography Of 4153 GT (Great Cars)

Synopsis

This magnificent book tells the story of a Ferrari 250 GTO with a particularly interesting and varied history. The car, chassis number 4153 GT, came fourth in its first outing at the Le Mans 24 Hours in 1963, and won the 10-day race-cum-rally Tour de France in 1964 with Lucien Bianchi and Georges Berger. It competed in almost every form of motorsport, including the Angolan Grand Prix, Africa in 1964, and endurance racing, hill-climbing and rallying in 1965, entered by the great Belgian team Ecurie Francorchamps. In 1966-69, it raced in Spain with owner Gerard Delgado and his friend Eugenio Baturone, a period that is described here for the first time. All this is covered in fascinating detail, supported by a fine collection of period photographs.

Customer Reviews

This magnificent book in the Great Cars series tells the story of a Ferrari 250 GTO with a particularly interesting and varied history. The car is chassis number 4153 GT and it won the Tour de France--an arduous 10-day race-cum-rally--in the hands of Lucien Bianchi and Georges Berger in 1964. That success typifies this car's competition life, for it did virtually every form of motorsport, including endurance racing (it finished fourth in the Le Mans 24 Hours in 1963), hill-climbing and rallying. All this is covered in fascinating detail, supported by a fine collection of period photographs, including color. Any Ferrari enthusiast will enjoy this addition to the Great Cars series.

Keith Bluemel writes for many Ferrari-specific magazines around the world, including Cavallino (he

has been competition editor since 2004), Ferrari Magazine (the official magazine produced for the factory by Conde Nast) and Prancing Horse. His books about Ferrari include the acclaimed Ferrari 250 GTO, co-authored with Jess G. Pourret and published in 1998 in three languages.Â

Great book

So much to enjoy in this book, from the exploits of such legendary drivers as Lucien Bianchi and Willy Mairesse to racing in Spain and even in Africa. Its Tour de France win and fourth place finish at Le Mans mean this is one of the most successful and important of all GTOs, and remarkably it competed for seven seasons which apparently is longer than any other GTO, making this a great subject for the Great Cars series. Keith Bluemel is the leading Ferrari authority and it shows in this book. Superb period photos. A fantastic gift or purchase for all Ferrari lovers.
