## Customer Reviews

I own all 4 volumes of Jewelry International, and have enjoyed them all. The books are nice, because they offer such a broad range of information on many different styles of jewelry, both historic and modern. Sure, a lot of space is taken up with ads for jewelry houses, but that's the point, right? Where else are you going to see so many diverse (and current) styles together? My one criticism is that the information is presented in a somewhat random matter, with chapters on historic jewels mixed in with modern pieces, which sometimes leaves you wondering which is which (although I understand it can be fun to see the juxtaposition between old and new). There really are some great examples of very important pieces; you get to see everything from the Duchess of Windsor's pearls to the latest haute joaillerie creations from the likes of Bulgari, Cartier, etc.

I bought this book for one of my relatives involved with jewelry design, she loved it and she always go through the book without even blink. Good reference material, excellent quality.

Thanks

Service fine from vendor..... I don't particularly like the book....

The photography in this book is absolutely incredible, so happy to have it as part of my collection! I often reference this book when I'm looking for design inspiration!

Beautiful book, very happy!

A Truly Wonderful Book for Anyone Who Loves and Appreciates Beautiful, Bold & Lavish Jewelry!!  
:D I HIGHLY Recommend Adding This Book to Your Library Collection!!
