An Outcast's Wish (Highland Heartbeats Book 3)

Synopsis

Some memories are best left forgotten. Maccay Douglas finds a trespasser on Duncan lands. Except the trespasser isn't some lad up to mischief. It's a woman in boy's clothing. A woman with a bruise on her head and no name, and hunting skills. She claims she doesn't know who she is. That doesn't stop him from falling in love. Except this red-haired beauty has an explosive secret that is bound to bring war to the highlands.

Customer Reviews

I loved the book it can be read by anyone no foul language "that I remember".

But oh Aileen the model that you used to replicate Maccay is awful. He is skinny and no muscle. He wouldn't last 10 minutes in a sword fight. Let alone lift one of those broad swords. I had to not think about it while I was reading. I pictured another book cover. Hahahaha

The beginning of Chapter 26 is missing. This is obviously annoying. The many "typos" are annoying. This series of stories are nice little stories, but all 3 are riddled with typos. But the missing

part of Chapter 26 ruins the climax of the story.

Maccay finds Alis in the woods and the tracker has met his match. Well, right after she swings a branch at him. But this also gives us a chance to see how Phillip, Sarah, Heather and Jake are faring. This book is standalone but you won't want to miss the other stories. Enjoy. Even if the women don't always seem the strongest at the start, they eventually show their spines of steel. And the men love them for it, most of the time. ~~~~~ Now Hugh needs to find love again. He deserves to NOT be the odd man out.

I loved this book!

This story brings the stories of the 2 past books into this new one and doesn't leave much room for the new story line. I found it slow and rather boring! There are so many Typos it makes for some choppy reading!

This is a good story! From the moment of meeting Alis you feel a connection to her. The book does need a little editing. Randomly there is an H in the middle of a sentence.

Could not finish - could not get started. It was horrible, within the first page. Please, aspiring authors, get an editor, get a proofreader, get a team. Seriously.

While she tells a good story, she fails to use words in their proper context, does not bother to research ie sika deer, which are a Japanese deer and were never in the highlands of Scotland before the 20th century and those not in the wild, does not check her use of English and has no sense of proper sentence structure. Very unpolished and lacking professionalism.
