Customer Reviews

Albert C. Outler was, at the time of his death, Professor of Theology, Emeritus, at Perkins School of Theology, Southern Methodist University, Dallas, Texas.

This review concerns the kindle version of the book, not the contents of the actual book. The book itself is a good book but has been converted very poorly into kindle format. The table of contents doesn't work and chunks of the text are missing (we also have the paperback to compare). We had to return this kindle version because it was so rife with problems. 5 stars for the content, 1 star for the kindlization.

For anyone who is serious about understanding the foundation or core of Methodism, reading John Wesley's sermons is a must. Outler and Heitzenrater provide brief background information to help the reader put the sermons into the context of Wesley's life.

new book

WOW!!! What a resource. It is well composed and well indexed. These are most helpful sermons for a beginning pastor as well as an experienced pastor. Great insight into John Wesley. This text has augmented my seminary studies and cements even further my Wesley background and leaning.

Really enjoyed reading some of the different sermons that Wesley wrote. Its a great collection to have and refer to when needed to write sermons, or even write papers.

This is a great study guide if you are interested in moving ahead with your walk with The Trinity. Could not recommend this any more highly then the five stars I gave it.

I was looking for books by John Wesley, and came across this one. I can say that if you are in ministry and looking for and outline on sermons, this is a good book. Just remember that Wesley was in the 1800's, and this is for outlines only. Wesley was a great teacher.

I attend the United Methodist Church in my community. Methodist-Episcopal years ago. John Wesley's teachings are not in conflict with buddhist teachings in my mind. They are all pure teachings from the divine. Thank You John Wesley.
