Wonderful. Quick delivery in good condition as described. Hopefully it is a helpful to my son! His trumpet playing is currently at the level of a dying cow.

Easy to use, and full of good beginner information. The Standard of Excellence Book is the primary resource being used by our elementary school band for instruction...so I purchased it for our daughter. I am teaching our daughter from this book over the summer (I am a trumpet player) and I find this book easy to use and follow along. Good solid basic instruction.

A good book.

I use this book all of the time for my band class. Thanks so much.

This book is the foundation for good music making! This book was the beginner book for 6th grade

band, and it's something many of my co-trumpeters and my self still practice on!

Great trumpet book for beginners! While it arrived late- which was a major deal--- the book itself is perfect for kids and grandkids! I highly recommend.

Gift for young grandson who we had purchased a used trumpet for. Daughter said it was a little too advanced for him (10 years old).

Great book that the school required
