How To Achieve Amazing Female Orgasms

Synopsis

At last it's on Kindle! Dr. Irene Cooper's classic book that cuts through the (excuse me) total crap that's still being written about the female orgasm. If you're not an adolescent seeking the 'Seven Secrets to Orgasmic Explosions In Two Minutes' type of nonsense but you have a genuine interest in the facts (and maybe some real personal concerns) then this is the author to read. Irene writes in an entertaining and common sense way about what is a problem for all women at some time in their life...the elusive female orgasm. Join the hundreds of women who have read this book and discovered (or rediscovered) the joys of easily reaching the giddy heights of sexual ecstasy.

Book Information

File Size: 95 KB

Print Length: 39 pages

Publication Date: December 19, 2011

Sold by: Amazon Digital Services LLC

Language: English

ASIN: B006O4DM1U

Text-to-Speech: Enabled

X-Ray: Not Enabled

Word Wise: Enabled

Lending: Enabled

in Kindle Store > Kindle Short Reads > One hour (33-43 pages) > Health, Fitness & Dieting

#887 in Kindle Store > Kindle eBooks > Health, Fitness & Dieting > Sex

Customer Reviews

The book seemed kind of out of date. The information about the hymen isn't specific enough to be accurate or inaccurate. The fact is that the hymen isn't something that is removed unless you are doing something forceful down there or there was something wrong in the development at which point it can be surgically fixed. The information about female ejaculatory fluids was also out of date. People can speculate about it what they want, but there has been plenty of research that proves it isn't urine being excreted. Maybe the book is out of date, and she does know what she's talking

about, but the half the book I read was too vague to really learn anything new.

A life changing read for me. A serious and intelligent book written with a fair share of humour. This doctor deserves true recognition for her work and writings.
