# STOP! 10 Things Good Poker Players Don't Do

## Synopsis

Poker players pick up bad habits. They use plays that are outdated, they make the same mistakes over and over, and they leave heaps of money on the table. This book was written to help you STOP! making those same mistakes. STOP! making the same mistakes as your opponents. STOP! getting crushed in your game. STOP! leaving stacks of chips on the table.

Best Sellers Rank: #495,052 in Books (See Top 100 in Books) #258 in [Books > Humor & Entertainment > Puzzles & Games > Poker](#)

## Customer Reviews

I have followed Ed Miller's writings for at least 3 years now. He excels at taking extremely complicated and confusing topics and dissecting them in a way that is astoundingly easy to understand. I have never "soul searched" so hard into my game as I did with this book. I considered myself someone who was very good at not tilting. Within 5 minutes of reading this it became painstakingly obvious that i am not. This is the most concise, quickest, and at the same time most profound poker book I have ever had the pleasure of reading, and i have read about 50. \$7 for this book seems like a bluff so CALL IT!

This is a small, inexpensive book full of good ideas for low NL games. This is like buying a cup of coffee for a good friend of yours to help your poker game. The ideas are well worth the price of the book.

I have been playing poker for many years, however I found this book to be full a great little reminders on what not to do and what to look for to exploit other players at the poker table. I will try to review the main points of this book each time I find myself becoming too undisciplined at the

table.

It is Ok if you don't play a lot of poker. If you do it is all stuff you should know. Don't bother

This book is a collection of essays by Miller and others. It's like a collection of articles from Card Player Magazine, which it well might be. If you're like me and find most poker books way too long and obtuse, this book is a good choice. It has quick thoughts on ten topics. I found I could put most of these tips right to work in my game. It's not Harrington, but at least you can finish it.

This quick, easy to read book has great advice for beginning players as well as reminders for more experienced players who have developed bad habits by playing too much free bar poker. I reread this book about every 4 months on average.

too short, nothing important or original

was OK ..
