I have not finished the book yet, but I love it so far. I will read it again. There are some pages I have read again. It really hits home and make you stop and thing.

This book is so inspirational and live changing! I so desire to meet this writer.I thank God that I purchased it.Happy Mother's Day to all mother's and have a very blessed weekend.

I really enjoyed this book! I loved that it was in the author's voice. Very well written, encouraging, and empowering. Looking forward to hearing more from Ms Priscilla.

Very good way to journey through scripture and improve bible study habits. The matter of fact verbiage and appropriate placement of examples that mirror my/our own really aid in understanding and growing in the knowledge of God!This is my first time engaging in one of her devotional so and was drawn to it after hearing her dynamic delivery of the word several times. Enjoy and grow as I have from this experience.

I found it lacked some substance I was looking for, and she repeats and/or contradicts herself at times. Small group liked it, so that's what counts.

I can't put this book down, it was the extra push the I personally needed to press in more!!!!

I thoroughly enjoyed Priscilla Shirer's new and improved book. I read it the first time, but I guess I wasn't ready for it because it really didn't do much for me, but this time I couldn't put it down. I guess that is why the Bible is considered a living document. It speaks to us differently at different points in our lives. I will be taking the Bible study course again and I know that I will be blessed by it because I am ready for it.

I love it. This is probably one of the best books I have read/studied. I will buy more of Priscilla Shirer's books.
