Federal Public Land And Resources Law Statutory Supplement

Synopsis

This is a compilation that contains the major statutes affecting federal public land and resources law. Though keyed to Coggins, Wilkinson, Leshy & Fischman's Federal Public Land and Resources Law, it can be used with any other casebook on the subject. The new 2014 Statutory Supplement broadens coverage in parallel with the new edition of the casebook. It now includes the Federal Power Act, the Geothermal Resources Act, the National Marine Sanctuaries Act, and the Religious Freedom Restoration Act.
