Customer Reviews

First of all, I'm a huge fan of Randy Clark and his ministry; I have greatly benefited from his teaching on identity, healing the sick, and moving with God. That said, the first half of this book presents a disappointing overview of the history of the character "Lucifer" in a "gap theory" take on Creation. Randy Clark provides several traditional views that have been soundly done away with by modern scholarly research into the Hebrew Bible. It was disappointing and frankly hard to listen to (I purchased the audio version as well). I got sick of hearing all about Lucifer (a poorly-translated word) and the errant take on his history. I suggest readers review the latest scholarly works regarding the Hebrew scriptures. "The Lost World of Genesis One" provides a better interpretation of Genesis One, and "Unseen Realm" by Dr. Heiser provides a far more coherent understanding of spiritual world that Jesus came to overturn. The last half the book is awesome. It's classic Randy Clark and extremely motivational and empowering. (It proves that we don't have to have an understanding of the Old Testament to get the awesomeness of what Jesus accomplished on the Cross and what that means to us as believers).

I learned how to have a deeper walk with God from this book. I would recommend it to anyone who wanted to feel closer to our Lord. A Lot of "Food for Thought".

Aside from the bible, this book is truly a must read.

I LOVE THIS BOOK!!! I keep buying more and giving them away!!! LOVE IT.

Enjoyed the challenge.

Randy Clark, Should i say more?!? Amazing passionate man of god and impartation!!! Passionate for Jesus? Buy it! God Bless!!!!

This book is amazing and I am so surprised it has not gotten more acclaim! I have read literally dozens of books on the believers authority and Spiritual Warfare in the past year since converting to Christianity, and this 1 is by far one of my favorites. When I began coming to understand all that Jesus accomplished and what He did for us when He died on the cross - I was in awe, and it made

me fall in love all the more deeper with our Lord and Savior. What Jesus intended for us is that we should have a life free from Satan's control! And when you realize that the enemy only comes to steal, kill and destroy, you realize ANY place in your life where you allow Satan to dominate is doomed. Satan wants us sick, poor, miserable, fearful, and dead. Jesus's death on the cross took back the authority that Satan had stolen from mankind in the garden, and returned it to us. Satan no longer has any power over us as Christians unless we choose to not appropriate our authority through Jesus Christ. The devil can only run rampant, and run over Christians if they choose to let him! THE INFORMATION ON THE BELIEVERS AUTHORITY IS LIFE CHANGING AND I SPEAK FROM TOTAL EXPERIENCE AND OF THE PROFOUND DEMONSTRATIONS IN MY OWN LIFE... I have been freed from poverty and fully healed after suffering 12 years with chronic fatigue, and fibromyalgia. My life is radically so different now and I give all Glory To God, and Jesus. And I thank men like Randy Clark who taught me the invaluable principles of the believers authority and taught me how to fight back with Satan and win.

This is the 1st book I have read by this Christian Pastor and I plan on reading more of his writings with regards to subject matter that interests me... its one of those books your reading that's so good you keep checking the number of pages left before it ends... Very easy reading for what could be considered weighty subject matter... Please keep up the Great Work!
