For more than twenty years, the Insiders' Guide® series has been the essential source for in-depth travel and relocation information from true insiders whose personal, practical perspective gives you everything you need to know. With its beautifully preserved historic downtown, nearby Atlantic coast beaches, lively mix of food, art, and music festivals, and Southern charm, it's easy to see why so many people are drawn to Charleston. From walking tours of elegant old homes and gardens to golfing at the area's world-ranked resort courses, this authoritative guide shows you how to take full advantage of the city's many treasures.

Countless details on how to live and thrive in the area, from the best places to shop and dine to neighborhoods and real estate.

Not-to-be-missed attractions, including the Aiken-Rhett House, Fort Sumter, and The Battery.

Comprehensive listings of annual events, accommodations, and outdoor recreation opportunities, including fresh-water and deep-sea fishing, tennis, and boating.

Sections dedicated to children, architectural and historic preservation, relocation, and retirement.

Lee Davis's Perry was raised in Charleston and returned there in 1987 to focus on a freelance marketing and advertising career. She is the author of *More Than Petticoats: Remarkable South Carolina Women* (Globe Pequot).

don't waste your money on this edition. for me, it was full of unuseable information. if you want a travel book to concentrate on attractions, accomodations, and dining, this is NOT your book. maps were scarce and information lacking. we are traveling to both charleston and savannah and found better information in the moon travel book that has BOTH charleston and savannah in it. if you are moving to charleston, you may need the additonal info in the insiders guide, but othewise, it is thick but unproductive.

This book has lots of info about Chas. Charleston is a beautiful city with a rich past and phenomenal future. We've enjoyed learning the ins and outs of the area.

Nice little book about Charleston. Great for a first time visitor. Gave me some good ideas for my next visit.
