National Geographic Traveler Prague & The Czech Republic

Synopsis

National Geographic offers a century of incomparable travel expertise to the high end of the travel market with this extraordinary series of world tours. These information-packed guides offer savvy advice and the in-depth information that sophisticated travelers demand. Each guide features: Detailed background and site descriptions; mapped walking and driving tours; full-service sidebars with fascinating vignettes on history, culture, and contemporary life; a 60-page directory of visitor information, including notable hotels and restaurants, entertainment, and shopping; and foldout end flaps, printed with maps and quick reference information, that serve as handy bookmarks.

Customer Reviews

This travel guide is shockful of photos and insightful observations of Prague and environs to discover - It's a high quality well-structured book to show off to your friends. It gave me ideas to explore more of this country and stay longer. If you cannot visit the Czech Republic but are curious of this nation, browsing through its pages will make you discover it in a fascinating way.

Beautiful pictures, full and concise information about history, culture and landmarks, tons of day trip options from Prague, guided walks of the Old City and the Lesser Quarter in Prague, along with guided walks in Karlovy Vary and Olomouc in the Czech Republic, two driving tours, interesting articles... I'm surprised that National Geographic hasn't updated this guidebook like they've done with so many others.

My family went to the Czech republic in 2003 with this guide. We used it to take as many as 10 day trips around the Czech Republic. The book divides its destinations by regions. It is easy to use. It has great pictures. The guide takes you to lots of museums or places of culture. In fact, many of the places we went to had school children and their teachers. It is not a guide for great beer or food. Though it does list some restaurants.

It contains a lot of information, both historical and cultural, but it's not the kind of guide that offers tons of accommodation info. Suitable for those who'd like to get off the beaten track.
