Exclaim Entertainment specializes in the creation, production, and distribution of character-based children's properties. The company's mission - to produce high quality entertainment for Christian families - is fulfilled in the launch of BOZ. Mark Bernthal is author of nearly forty children's books. He's also an Emmy-nominated writer of over fifty screenplays for children's television and home videos. Mark cowrote the play Christmas Special Delivery, performed by churches nationally. He teaches Sunday school to four-year-olds in Plano, Texas, where he resides.

We were a little disappointed with this book, as we were looking for a more obvious "message" about loving your family -- this book focuses more on introducing the characters in the Boz series. We also purchased "It's Fun to Share" and it has a much clearer message (about sharing).

Every Boz book has so much for children to learn in a fun, colorful format. Boz lives next door to the Baxter family. Boz and the Baxters teach Christian values and day-to-day fun for each of the family members.

Love the book. Read to my grandson before naptime. Came just as expected. Love this series of books. Glad it is hardback as he is still in the tearing apart stage.
