Twin Flame Code Breaker: 11:11 KEY CODES The Secret To Unlocking Unconditional Love & Finding Your Way Home

Synopsis

A "twin flame" refers to a twin soul that is seeking self-transformation along its personal path. This self-transformation • the understanding of "Key" life lessons • is essential to the joint mission of twin souls, for the twin flames are bound together in an agreement to help mature each other's karmic evolution. In Twin Flame Code Breaker, Dr. Harmony guides you in preparing for the arrival of your twin flame. Specifically, she guides you through the crucial work that you must do to first achieve a higher self-love that will unite you with the Creator. Your self-love will then send out vibrations that will bring your twin flame to you. She also sheds light on the common difficulties of the twin-flame reunion, for this journey is not a simple one. The purification of the karmic past can be intense and even frightening. Yet when the barriers are cleared, it is then that the twin flames can unite completely and make their way to true happiness. Giving you the tools to enlighten yourself as well as a way to harmonize with your twin soul, Twin Flame Code Breaker is essential for understanding this sacred relationship.

Customer Reviews

For someone who is on this twin flame journey this is a book that has very good and clear explanations about the process. It has helped me a lot to understand and connect to myself.

I was whisked into a major shift and given the knowledge of who my Twin Flame is just this past month. Well, does make sense, it's 2017, year of the Goddess, and a #1 year where everything we accomplish this year will set the tone for the next ten years. Spirit has clearly spoken through Dr. Harmony here with great detail, so that those of us affected may understand what is happening. I am working through the book piece by piece and am grateful daily for the guidance it is providing.

The best book about Twinflames I've read so far Thank you for your wonderful book. It explained everything we been trough. ãfÃ ã Å_Ã ÆœÃ Å ãfÃçÃ Å•Ã Åª

I was divinely guided to this book through Wayne Dyer and St Germain. Thank you Dr Harmony for fulfilling your Dharma and sharing your channelling of the twin-flame mission and relationship. It was exactly the book I needed to move forwards with my own Devine purpose and ascent.

After just recently meeting my twin flame, and becoming very intuined with my spirituality, I got my Masters attunements in Reiki just last week. Since, my intuition, and other things have become more aware to me. After an "end of relationship" type fight, I was heartbroken and thinking of my twin for a day -- and kept seeing 11:11, both AM & PM. And elsewhere too... this event is what brought me to reading this book, and I loved the story behind her 11:11 sightings.

This book and Dr. Harmony's guidance taught me how to let go of expectations, release old karmic debris, and open my heart to receive unconditional love from my twin flame. Our souls know the answers if we learn to remove our human roadblocks. Dr. Harmony showed me how!

5 stars because it is inspiring, engaging and well-written. Thank you Dr. Harmony 4 opening our eyes and our hearts to the abundant beauty of Twin Flame love. The book contains helpful numerical keys and meditations.

Read..ponder..reread..ponder some more. Eye opener. A guidebook to life's twin flame journey.
