Adventure Guide Naples, Sorrento, The Amalfi Coast: Capri, Ischia, Pompeii, Positano (Adventure Guides Series)

Synopsis

Hedonistic resorts are counterbalanced here by Greek and Roman excavations. Tour Pompeii and Herculaneum, an amphitheater or a submerged city. Visit hissing beaches and bubbling spas on Ischia. Take in the gastronomic specialties of gourmet pizza, handmade pasta and fresh seafood. Here is a guide to it all, from art and vineyards to fashions and antiques. Cooking and language classes are featured. This signature Hunter series targets travelers eager to explore the destination. Extensively researched and offering the very latest information, Adventure Guides are written by knowledgeable, experienced authors. The focus is on outdoor activities - hiking, biking, rock climbing, horseback riding, downhill skiing, parasailing, scuba diving, backpacking, and waterskiing, among others - and these user-friendly books provide all the details you need, including prices. The best local outfitters are listed, along with contact numbers, addresses and recommendations. A comprehensive introductory section provides background on history, geography, climate, culture, when to go, transportation and planning. These very readable guides then take a region-by-region approach, plunging into the very heart of each area and the adventures offered, giving a full range of accommodations, shopping, restaurants for every budget, and festivals. All books have town and regional maps.

ADVENTURE GUIDE TO NAPLES, SORRENTO, AMALFI COAST BY MARINA CARTER is another of Hunter Publishing Company's excellent travel guides. This one has a fascinating introduction which gives not only the history, but also breaks down and explains the art and architecture into specific periods of history, which gives you a thorough appreciation for what you will see and experience on your trip. There is a section of where to go, what to see, places to eat and shop, and sporting activities and entertainment in each area, including phone numbers and websites to contact for each. The book explores Naples with its history and art, then the 60 mile Sorrento Peninsula as a base for exploring other areas and famous for luring sirens to the treacherous rocks, and finally the less accessible Amalfi Coast with its gorgeous scenery one of the most beautiful in all of Europe. Reading this guide will tempt travelers to Italy to venture South of Rome.

Naples and nearby coastal areas offer much in the way of different travel experiences, from fine resorts to street theatre and fishing villages - and Naples, Sorrento & the Amalfi Coast makes the most of the entire region, offering plenty of unforgettable adventures and covering not only walks and places to stay, but night life and historic sights. An excellent travel planner, it can't be beat.
