Synopsis

A nurse's job seems to never end. Know-it-all doctors, difficult patients, and twelve-hour shifts sometimes test these nurturing souls. Even on those exasperating days when it's still hours until the next shift change, the Nurses calendar delivers a daily mental-health break with laughter and grins inspired by amusing anecdotes, uplifting quotes, funny jokes, and other entertaining medical tales.

This is a Small Desk Calendar that has a joke, quote, and anecdotes for each day. I thought it was a wall calendar when i ordered it, but was very pleased just the same. My sister, the nurse of the family, was pleasantly surprised.

Enjoyable, fun calendar. Especially fine for any nurse you may know. They go through a lot to help us all and giving them this is the least you can do.

Bought by accident. Daily quotes are stupid, not funny at all. Have had better ones in the past. Don't

waste your money.

I'm so fascinated by the jokes, helps me unwind after some long hours of work

Funny, but mainly has corny/cheesy jokes. Nothing special

Not as good as in years past, but still cute.

This was a christmas gift and the receiver was very pleased!

My sister loved this as a XMAS gift! Thank you!
