Love this set of CD's. We listen to them while we clean on Saturdays. I'm hoping the humor and inspiration stays in my children's heads throughout the week, as well as their lives.

He is such a great speaker, especially for the youth. He is a great influence and role model for the future.

These CD's are supposed to be for teens, I am definitely not a teen but they are absolutely fantastic and you can so feel the spirit as you listen to them.

Really good speaker.

I grew up listening to some of these talks, but I could never find them on CD. Now I have them all in one place and a bunch more I have never heard before! Really happy with my purchase!

Having purchased a single CD, I opted for the large collection and was not disappointed. Mr. Bytheway finds teaches with humor and insight. I would highly recommend these talks, particularly if you have youth in your family.

Always enjoy listening to John Bytheway's way of explaining gospel principles. His upbeat attitude and fun stories bring the scriptures to life and helps make seemingly abstract principles concrete and doable.

John Bytheway uses his own unique brand of humor to help teach gospel principles to people of all ages! We have listened to these inspiring messages multiple times and they never get old.
