Grade Level: 4 and up

Customer Reviews

Tight spine, clean pages, good cover, NO dust jacket. READY TO SHIP TODAY! Proceeds benefit non-profit outreach. 701

This is a well-organized book. It starts with general maps skills: finding states on a map and globe. Then you learn the main geographic features of the US (like Great Plains, Rockies, etc.), then learn more about each region (When you learn about the Midwest, you learn more than just the Plains.) Each Chapter is divided into lessons for each day. The workbook has corresponding written work for each lesson, and a study guide at the end of each chapter.

This is the complete teacher edition with all the review, test prep, lesson answers along with the complete textbook. Well organized and easy to follow.

It came in very neat condition and looked barely used. No rips, tears, writing, or big folds were

found. I bought this book for my daughter and she loves it.

Great Book! Love it!
