Understanding Torts

Synopsis

This Understanding treatise is the perfect complement to first-year tort courses and is suitable for use with any tort casebook. Concise and authoritative, Understanding Torts features:

- Comprehensive and up-to-date coverage of intentional torts, privileges, negligence, cause-in-fact, proximate cause, defenses, joint and several liability, damages, strict liability, products liability, economic torts, malicious prosecution, abuse of process, defamation and invasion of privacy.
- Judicious use of footnotes to provide full, but not overwhelming, primary and secondary support for textual propositions.
- Clear organization and writing to enhance understanding of basic concepts and major cases covered in a torts course.
- In-depth analysis of topics that generate the greatest confusion and controversy.

Customer Reviews

I got an A in torts with this book. I think that says enough.

not in "good" condition as stated

Very helpful for analyzing the concepts associated with the law of Torts.

Great supplement to your 1L case book.

Just what I needed

Really helps understand some of the concepts

good for a law book

This book is a criminal law students bible! Well I'm a Jew so I don't know how a bible is to someone that would use it. But anyway, this book makes criminal law so much easier. Breaks down and explains each element. Highly recommended!!
