S. E. Hinton is the author of a number of bestselling and beloved books for young adults, including THAT WAS THEN, THIS IS NOW; RUMBLE FISH, TEX, and of course, THE OUTSIDERS, which was written when she was just 16 years old. She has also written several picture books, a collection of short stories, and a novel for adults. She lives in Tulsa, Oklahoma the setting of THE OUTSIDERS with her husband. When she is not writing, she enjoys riding horses.

So happy to have purchased this. I've read the book countless times and watched the movie a little to much lol. No matter how many times I re read it, I always cry. Just in case I'm not going to go into details, I don't want to be a spoiler now. The back of the book has beautiful illustrations, pictures, and even letters. I got the hardcover so I'm unsure if the quotes are written in the same place, but famous quotes such as "stay gold pony boy" and "things are rough all over" are written in white on the back cover and last page (as well as the front cover page and first page).

Amazing. This book is just so amazing. Full of plot and humour and emotions. Very well narrated, cool and poetic in a beautiful way. I really enjoyed this book, and I must say I am deeply impressed that a man of so Young age (because he WAS young when he wrote this) can Write With such skill. Very good. Highly reccomended.

This is a collectible that I will share with my kids and grandkids (one day)

My kid is a huge fan. She loved this book and said she was laughing out loud a couple of pages into it.

What a gorgeous book! I absolutely love the jacket design, and the inside cover of the book. Love the story. Stay gold, Pony Boy... Stay gold.

The book arrived in a great protective package. I am so very pleased with my purchase. I also have the DVD and I still watch the movie whenever it's on TV. Stay golden.

I LOVED this book as a child and loved the movie even more. I purchased this book for my granddaughter who loves it as well.
