Old Polish Traditions In The Kitchen And At The Table (Hippocrene International Cookbook Series)

Synopsis

Here are nearly 100 recipes for such classic Polish favorites as "Beer Soup with Cream and Cottage Cheese," "Roast Beef Roll with Mushrooms," "Roast Pork with Caraway Polish Style," and "Old Polish Royal Mazurek." The recipes are interwoven with a briefly outlined history of Polish culinary customs. Short essays cover subjects like Polish hospitality, holiday traditions, even the exalted status of the mushroom. The recipes are traditional family fare.

Customer Reviews

Text: English (translation) Original Language: Polish

"We would like our recipes, chosen by us and entwined into a tale of Polish customs, to encourage readers to try them out and often, thus continuing Polish culinary traditions." --from the authors' introduction

As a cookbook, this is probably at best a 3/5. It's written as an anthology of Polish cooking traditions and has a few historical references, though it's far from comprehensive. I'd call it "interesting," but I wouldn't call it essential.

Story in book makes good reading and it has true Polish recipes, good service

I love this book. My grandmother was Polish so I purchased this in honor of her.

new facts

I bought this for my son-in-law who is Polish and loves to cook. He was very happy with it, especially that it included history, not just recipes.

I had given this book as a gift, but heard that it has great anecdotes inside and recipes. My friend was happy to receive it for the holidays. One mushroom soup recipe is currently being tested, so I've been told.

The quality of the book was very good. The information in it was extremely useful.

I loved it.....so much to learn. The old traditions were brought to life, many of which were almost forgotten..Thanks for the fast shipping.
