The Call Of The Spectacled Owl: An Artist's Journey Thru History, The , And Spirit (with Travel Tips)

Synopsis

A thoughtful travelogue of spiritual artist, Patricia Robin Woodruff and her photographer daughter, Coriander in the jungle, Iquitos and Lima, Peru. You feel like you are traveling, learning and laughing along with them as they explore the jungle animals and plants, native earth religions and history. There is a deep spiritual side to this journey: participating in a sacred medicine ritual with a shaman, learning about native plant remedies and exploring the mysterious pottery offerings and their shamanic aspects.

Customer Reviews

my wife and read this book prior to taking a very similar excursion on the upper in Peru. The difference between the two adventures us that we paid for an organized tour which guaranteed comfortable beds, showers and food along the way. Otherwise our experiences were remarkably similar. Most North Americans are unfamiliar with the Amazon River, especially its head waters in Peru. Author Patricia Woodruff provides excellent historic and cultural background information in a first person narrative. The book is about a "coming of age" voyage for her daughter in which they

visit shamans, swim with pink dolphins and dine on piranha fish. At the end of the river trip they return to Lima, Peru and we are taken into its museums open the doors to Peru's history before the Spanish explorers. Woodruff is an artist and created the illustrations throughout the book. Her daughter is a skillful photographer and also contributed to the illustrations. Whether you're simply curious about the or planning a trip there you will find this a worthwhile book. We carried a copy with us and referred to it daily during our tour.

For anyone who has ever thought of traveling the , this is a must read. The author creates a feeling of being curled up in front of a fire listening to her tell the stories. Beautiful book.
