# The Southern States Of The American Union [1894]

## Synopsis

"Considered in their Relations to the Constitution of the United States and to the Resulting Union" -- Curry served in numerous capacities during his eventful life: Lawyer, U. S. Congress, Confederate Congress, Confederate Army, Baptist Minister, College Professor, Educator, etc. -- In 248 pages he attempts "The restoration of the South to its true place in the story of the formation and the history of our government, is the attempt, perhaps, presumptuous, of this volume.... It is my purpose to inquire, Has the South made any special, distinctive contribution to the Constitution, the Government, Civilization, to Liberty, civil or religious, to National independence and honor, to pivotal epochs in our history? Have its thoughts moulded policy, formed parties, acquired territory, prevented national wrong? Have its men led armies, become great thinkers, impressed themselves beneficially upon our age and institutions?" And in summary: "The aim is to secure justice, too much withheld, for the South, and to bring into proper recognition the indebtedness of the cause and the country to the Southern States."

## Book Information
